lawn & garden tractors

Price \$1.00

FACTORY ORDER NUMBERS

Factory order numbers and serial numbers are necessary to order parts. The serial number is on a plate located under the hood, to the right of the batteries. Motor numbers are on each motor. The transmission number is on the transmission.

TO ORDER PARTS

1. Enter factory order numbers and serial numbers.

Tractor _____

Traction Motor _____

Transmission _____

2. Locate the desired part in the illustration and note its item number.
3. Locate the item number in the parts list. Order by both **part number** and **description**.

ORDER ALL PARTS THROUGH YOUR LOCAL AUTHORIZED WHEEL HORSE DEALER.

At the time of printing (3-75), product information and specifications, as shown, were correct. Wheel Horse Products, Inc. reserves the right to change product specifications, designs and standard equipment without notice and without incurring obligation.
