OPERATION

January 4, 1973

To All OPEO Dealers and Distributors:

SUBJECT: 50/50 ADVERTISING CO-OP FOR 1973

We are receiving a tremendous response to our 1973 Co-op Advertising Program and feel that coordinated with our national program, the Elec-Trak tractor's market acceptance will continue to accelerate.

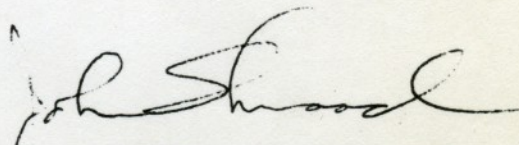

However, along with the tear sheets and radio affidavits we are also receiving many unpaid copies of invoices. In order to credit you for your advertising, we must have copies of the Paid invoices.

Enclosed you will find advertising co-op forms for our 1973 program. Please read the instructions carefully before filling them out.

Remember—you must submit both the green and yellow forms number GEZ-5010B for prior approval before we can authorize any co-op dollars. We will return the yellow copy to you for your records. Then just submit the white form, GEZ 5010C with your paid invoices.

If you have any questions, or need more forms, please contact Tom Wells or me. We are glad to note the increase in Elec-Trak promotion and will be more than happy to credit your share.

Sincerely,

  
J. M. Sherwood, MANAGER
