

# GENERAL ELECTRIC

GENERAL ELECTRIC COMPANY, CORPORATIONS PARK, BUILDING 702,  
SCHENECTADY, NEW YORK 12305, Phone (518) 374-2211

OUTDOOR  
POWER EQUIPMENT  
OPERATION

October 27, 1971

TO: ALL ELEC-TRAK TRACTOR DEALERS AND DISTRIBUTORS

~~Important - please recheck to be sure you and your customers do not have defective Weeder/Cultivators (Model HC05) and Lawn Edgers/Trimmers (Model HE06). Many of both of these units have been manufactured with brushes of the incorrect voltage which will greatly shorten their operational life.~~

In order to facilitate an orderly repair or exchange of these tools do the following:

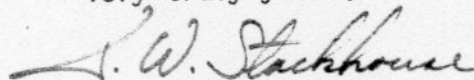

1. Return all models HC05 and HE06 shipped from the factory before October 1, 1971.
2. Tag each tool with your dealership name and address.
3. Ship all units freight prepaid before December 1, 1971  
to:

G. W. Murphy Industries  
Portable Electric Tool Division  
1501 East Main Street  
St. Charles, Illinois

ATT: Service Department

4. All units will be returned to you freight prepaid. Tools will not be accepted for credit.
5. Do not send any other tools to this address. All questions should be directed to Product Service in Scotia.

Very truly yours,

J. W. Stackhouse  
Product Manager
