Dear Mary:

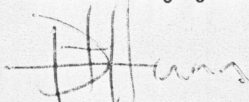

Pleasant chatting with you last Sunday. Tim Teegardin of Green Thumb Lawn and Garden Center will be delivering an E16 Elec-Trak tractor this week so you can get an early start on your grounds. If you would like the tractor delivered at another time, let Tim know.

I suggest before operating the tractor you thoroughly read the Owner's Use and Care Manual I have enclosed with this letter. It covers almost any contingency that could arise, and I can assure you that Green Thumb can assist with anything not covered.

As for the story, I look forward to seeing it after it's published, hopefully in early May.

Enjoy the Elec-Trak tractor.

Sincerely yours,
