To: All Elec-Trak Tractor Dealers

Enclosed you will find copies of 6-volt and 12-volt Battery Certificates. These battery certificates are to be used only when batteries fail under warranty and are to be completed in accordance with the instructions outlined in Product Service Bulletin 73-28.

The completed battery certificate must be attached to a completed Dealer Warranty Claim Report and forwarded to Product Service for warranty payment.

Battery Certificates or Dealer Warranty Claim Reports received with incomplete or incorrect information will be returned to the dealer for correction.

In cases where 4 or more batteries have failed in a power pack, the dealer must call the hot line for instructions.

Additional battery certificates are available by forwarding written requests to:
