

June 18, 1973

To: All Elec-Trak Tractor Dealers

We are asking each dealer to participate in a survey related to obtaining battery information which will assist us in maintaining a high level of battery performance and service.

The survey questionnaire is printed on the post card below, which is to be returned to Product Service when completely answered. Please be sure to include your dealership name and address and feel free to give us any comments and recommendations on battery service.

William A. Podoba

W. A. Podoba, Manager
Dealer Service
Outdoor Power Equipment Operation
