BEST BUY AWARDS AND PRIZES - COMING UP!

The first Best Buy awards and prizes will be announced next week. Watch for your name!

Top Ten - Seven hourly and three salaried people have been selected for their fine work in the past month. These people will be given special recognition in the form of Best Buy awards, publicity, and for six of them, special V. I. P. parking for four weeks.

Top Two - From the Top Ten, the two most outstanding contributors will be identified; one hourly person and one salaried person. Dinner-for-two (with all the trimmings) for each of these winners has been earned and will be enjoyed in April.

Also, these two outstanding people will participate in the grand award drawing in October. You may not believe the grand award prize list but here it is - and it's for real!

Grand Prize (one) - 6 days, 5 nights for two on the Carribean Island of Aruba, Netherlands Antilles during the OPEO dealer award trip.

Second Prize (one) - E-8M tractor with mower

Third Prizes (five) - 17" electric snowblowers

Fourth Prizes (seven) - 18" electric mowers

(Special to the "Top Two": All monthly winners qualify now as a winner of one of the prizes from this list!)

There will be a "Top Ten" and a "Top Two" selection every month from now through September. Pitch in and be a winner. You all have a chance.

MORE "BEST BUY" NEWS

The "Best Buy" Housekeeping and Safety grand prize for March went to Rod Paull and his 701-C warehouse team. Each of his workmen were awarded a pocket flashlight for their efforts in keeping their area clean and safe. The booby prize for March went to Doug Guerineau's electrical assembly area.

Here is a list of things that everyone can do to get his area in good shape for April's Housekeeping and Safety inspection:

- 1) Put trash and paper in the proper receptacles.
- 2) Hang personal clothing in the locker room.
- 3) Keep each work station orderly and clean. Put material and tools in proper place.
- 4) Wear your safety glasses at all times, and other protective equipment if required.
- 5) Notify your supervisor immediately if you spot a fire extinguisher in your area that does not have a wire seal, or is out of place.

Housekeeping and safety is everyone's business. An extra effort over the following weeks may place the "Best Buy" Housekeeping and Safety Banner in your area.

BASIC BLUEPRINT READING COURSE OFFERED

A Basic Blueprint Reading course is available for hourly employees starting May 2, 1972 and ending June 1, 1972. For day shift employees the course will be held at Mont Pleasant High School from 7:00 - 9:00 PM and for those on the night shift the course will be held at Washington Irving School from 9:30 - 11:30 AM. Enrollment is entirely voluntary. There is a \$20 enrollment fee. Qualified employees will be reimbursed upon satisfactory completion of the course. See your foreman for eligibility requirements and his advance approval.

If you are interested, please contact your Foreman before April 19, 1972.
